Certificate

Certified Passive House component for cool, temperate climate, valid until 31.12.2018

Category: Manufacturer:

Facade anchor Hilti Deutschland AG 86916 Kaufering, GERMANY FOX HT

Product name:

The following criteria were used in awarding this certificate:

Efficiency Criterion

In two typical applications*, the construction fulfills the requirements of

∆U_{WB} ≤ 0.010 W/(m²K)

Comfort Criterion

The inner surface must be warm enough to prevent mould as well as uncomfortable down-drought and radiation losses.

θ_{i,min} ≥ 17°C

Thermal data of the certified component

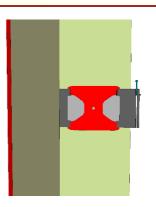

Konsole FOX T	thermal bridge coefficient	minimum inner surface temperature
	χ [W/K]	θ _{i,min} [°C]
FOX HT-280_11	0.0033	19.44

Validation reference buildings	Row House	School building
ΔU [W/m²K]	0.006	0.006

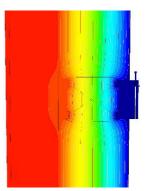

* The criterion has been validated with two representative buildings, a row house and a school building.
